

# iTACKLE PROJECT

## ► PROJECT OVERVIEW

The iTACKLE project aims on cultivating Active European Citizens (AEC) by fostering intercultural and transcultural awareness through innovative and competence-based education tailored for primary school pupils.

## MAIN GOALS

The goal of iTACKLE is to equip pupils with essential life skills that empower them to:

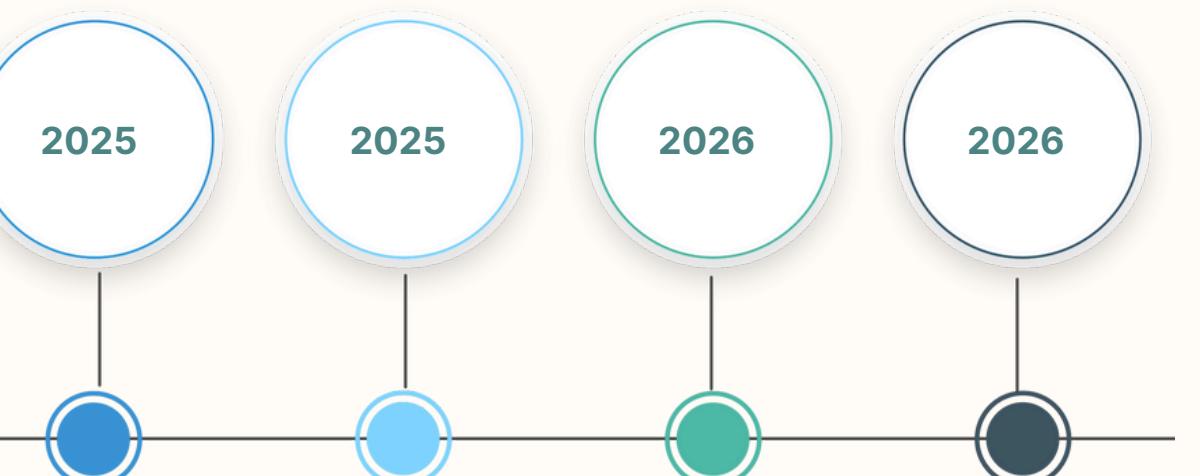

- **Embrace European values** such as democracy, justice, equality, and human rights.
- **Develop intercultural competence**, fostering tolerance, and acceptance.
- **Strengthen critical and creative thinking**, skills while participate actively in democratic processes.

## VISION

iTACKLE envisions fostering environments where every pupil can thrive, irrespective of background, through inclusive and innovative educational programs. Our aim is to empower learners to contribute positively to multicultural societies.

This initiative sets the foundation for shaping a cohesive and inclusive Europe, through transformative education and active citizenship development.
